

The Orange Blossom 4-H

Oakdale / Knights Ferry, California

Issue: August 2011B

WELCOME PROJECT LEADERS

The first Community Club meeting and club sign-ups will begin during the Open House Ice Cream Social on Monday September 12, 2011 6:30 PM at the Odd Fellows Hall in Knights Ferry. Following the Open House the regular community club meeting will be held on the 2nd Monday of every month at 7:00 PM at the Odd Fellow Hall. For those interested in hosting a Project within Orange Blossom 4-H please review the following document and complete all items requested and submit to the Community Club for review by the listed due date, September 7, 2011.

PROJECTS: MINIMUM MEMBER PARTICIPATION

During the 2011-2012 4-H program year the Orange Blossom 4-H has been giving the opportunity to present our community with a large variety of Community Club projects. For all new and returning projects hosted by Orange Blossom 4-H, the Club Advisory Committee is request that there be at least (3) three or more members sign-up for each officially recognized project. For projects with (2) two or fewer members the Club Advisory Committee is requesting those members that wish to participate complete a project transfer form and attend project meetings through another local Community Club. However, well structured projects that do not meet minimum member participation may be allow to continue upon review but may have limited access to Club funding. For Project Leaders that expect or experience limited member sign-up, project consolidation with other Orange Blossom 4-H Project should be considered.

Note: Each family/household may Project leader a maximum of (2)-two projects. Project sign-ups will begin during the September 12, 2011 Community Club Meeting. The Club Advisory Committee is open to suggestions, please call Ken Peterson at (209) 968-5372, or email ken@campsylvester.org with any questions or comments.

PROJECTS: SCHEDULE OF EVENTS

All project leaders should submit a proposal for all expected project meeting dates, times and locations for the 2011-2012 Orange Blossom 4-H Program Year. Due to the popularity of many projects and limited time to host project meetings this information will be consolidated on a Master Events Calendar and posted online to prevent scheduling conflicts. Project leaders who wish to host a project need to submit a proposed meeting schedule that is post marked or e-mail submitted to Ken Peterson by September 7, 2011.

- Minimum of (8) project meeting hours
- General topics covered at each project meeting and/or event
- Expected months for hosting project meetings (ex: November-May)
- Expected date and time of project meetings (ex: 3rd Saturday, 1PM)

PROJECTS: FUNDING & MATERIAL REQUESTS

Funding requests for new and returning projects not currently accounted for in the Orange Blossom 4-H Operating Budget must be post marked or e-mail submitted to

Ken Peterson by September 7, 2011. Include with request notes regarding funding amount requested and for what material funding will be applied toward.

Access to the current Orange Blossom 4-H budget is available at:

www.OrangeBlossom4H.org
under the **Operating Budget** tab,
Passcode: 4402.

When requesting funding for specific materials and equipment for projects please consider longevity and possible used by other projects (Example: electric shears can be used by: Goats, Llamas, Sheep, Swine and Dogs).
